

My three jars

Every coin I get can go into one of three jars. Colour each jar, then say where its coins will go.

My name _____ Week of _____

Spend

For things I want soon.

I will spend my coins on

_____

_____

Draw it here

Save

For something bigger, later.

I am saving for

_____

_____

Draw it here

Give

For someone else or for others.

I will give to

_____

Ten coins to share out

Colour each coin to show which jar it goes in. Use one colour for each jar. Which colour did you use most?

Talk about it

Which jar is the biggest? Which jar fills slowest? Does giving make a jar feel empty, or full?

Where did my coins go?

Each day, write the coins I got, and how many went into each jar. Colour a circle for each coin given away.

A rule for my coins

Agree it together, and write it here. For example: some to spend, more to save, a little to give.
